

Visitors to the North Dakota Boys and Girls ranch were able to tour one of the greenhouses and purchase plants and flower boxes during the ranch's annual BLT day in May. The ranch's greenhouse technology program was started with a grant provided by Verendrye Electric. The greenhouses use electric floor heat as the main source of heat during cold temperatures.

Each year, Verendrye Electric Cooperative (VEC) supports students by contributing \$500 to each Dollars for Scholars chapter in VEC's service area. Dollars for Scholars is a nationwide scholarship program.

The following students recently received \$500 scholarships provided by VEC: Samantha Lundy, daughter of Lance and Dori Lundy of Granville; Andrew Rott, son of Mike and Marsha Rott, Anamoose; Evan Thomas, son of Deneen Richter and stepson of Mike Richter, Goodrich; Bailey Jean Thomas, daughter of Kenny and Jodi Thomas, Velva; Callie Christianson, daughter of Brian and Johnnet Christianson, Glenburn; and Mickayla Nagel, daughter of Gerard and LuAnn Cederstrom, Minot. Congratulations to this year's scholarship winners!
